"Care, Courtesy, Concern"

Tuesday 10th November, 2020

Dear Parents/Carers

Important Information

As we are now in a new stage of lockdown, I would like to inform you of some changes that are to be introduced. As from Wednesday 11th November, we are asking that all parents/carers who are coming on to the school yards wear a face covering (unless exempt). Staff will also be wearing face coverings. If parents/carers need to come to the main school office, they will be required to wear a face covering.

We are bringing in this rule to try to ensure that the lockdown measures are as effective as possible in reducing incidents of Covid-19.

We are noticing that in some instances, older siblings (who attend our school) are going to classroom doors to collect younger brothers or sisters. Please can this be avoided as we are trying really hard in school to keep each bubble separate. We also ask that it is one parent/carer to drop off and collect children to minimise congestion in the yards.

Finally please remember the Government's campaign: **Wash hands, Cover face, Make space**. I appreciate that in these difficult times parents want to catch up with friends around the school site, however, please remember the Government's social distancing rules at all times and observe the 2 metre rule.

Many thanks for your continued support during these challenging times.

Stay safe

Yours sincerely
